

CLASS AT THE BCR OFFICE!

HOUSEPLANTS 101

Yes, winter is just around the corner but that does not mean your gardening season is over. You can address your urge to grow with indoor houseplants! We will discuss all aspects of being successful with houseplants, including soil, light, water, fertilizer and common problems. We will also learn about some easy-to-grow houseplants.

Free 2.5" houseplant for all attendees!
